Time For Celebration !

- In **2026**, this will be the **10th edition of NCS** !
- ~~Due to~~ Thanks to Covid, that will also be the **20 years anniversary of NCS** !!
- Very special grateful thinking to one of the father of the conference : **Bruno Boulanger**

Achievements :

- State of the art of the **non-clinical statistics** and deconvoluting the **regulatory landscape**, likely part of its **evolution** !!
- Navigating **South-North & West-East** of all Europe
- Memorable **social events**
- From random **scientific and statistician professionals** to a big, growing **family**

SPONSOR

Bruno will retire at end 2024, be sure to celebrate with him !
